PROFESSIONAL SUMMARY

Video Editor and Content Creator with hands-on freelance experience producing cinematic, brand-ready video content for clients across hospitality, beauty, and automotive sectors. Builds and grows YouTube channels at scale, including a flagship channel with 415,000+ subscribers and a Silver Play Button award. Skilled across the full production pipeline — filming, editing, color grading, motion graphics, and sound design — with fluency in Adobe Premiere Pro, After Effects, and DaVinci Resolve. Brings AI-assisted creative workflows (AI video generation, face-swap, 3D content) into the editing process as a production advantage, enabling faster turnaround and more distinctive output without compromising craft.

CORE SKILLS

Video Editing & Post-Production: Adobe Premiere Pro, DaVinci Resolve, CapCut, Color Grading, Cinematic Editing, Speed Ramping, Visual Storytelling

Motion Graphics & VFX: Adobe After Effects, Motion Graphics, VFX, Compositing

Design & Audio: Adobe Photoshop, Adobe Illustrator, Adobe Audition, Thumbnail Design, Sound Design

AI & 3D Creative Workflows: Blender, Higgsfield, AI Video Generation, AI Image Generation, Face-Swap Workflows, AI-Assisted 3D Content

Content & Growth: YouTube Channel Management, Content Strategy, Short-Form Content, Social Media Content, Scripting & Ideation, Multi-Platform Publishing

Freelance & Client Management: Client Acquisition, Cold Outreach, Freelance Project Management, Client Communication

PROFESSIONAL EXPERIENCE

Freelance Video Editor & Content Creator — Self-Employed — Mangalore, India / Remote

2024 – Present

- Self-sourced and managed 15+ clients across hospitality, beauty, and automotive sectors through direct outreach and cold-calling, including Hair Studio Salon (2 outlets) and Baker Street Café.
- Delivered end-to-end video production — filming, editing, color grading, motion graphics, and sound design — for promotional and cinematic brand content using Premiere Pro, After Effects, and DaVinci Resolve.
- Produced AI-assisted video content, including face-swap edits and AI-generated 3D visual elements, to add distinctive production value and reduce turnaround time for clients.
- Edited automotive and lifestyle video content, including cinematic-style car edits, expanding the client base into the automotive sector.
- Managed the full client relationship from first outreach through final delivery, building a repeat and referral-based freelance client base.

YouTube Content Creator & Channel Manager — Multiple Channels — CDIXZ, Seleem Talks, Mr. Romero Walks

2022 – Present

- Grew flagship channel CDIXZ to **415,000+ subscribers**, earning YouTube's Silver Play Button award for surpassing 100,000 subscribers.
- Planned, filmed, and edited content across three channels spanning gaming, city-explainer/storytelling content, and software tutorials, including Premiere Pro how-to videos.
- Produced 350+ videos within the first two months of a new content channel, maintaining a consistent daily publishing schedule of 2–3 videos.
- Applied AI-assisted workflows (Claude, ChatGPT, DeepSeek AI) to streamline scripting, content planning, and editing decisions across all channels.

SELECTED PROJECTS

- Automotive Cinematic Content — speed-ramped and color-graded car edits for independent automotive clients.
- Hospitality Promotional Videos — brand-focused video content for café and restaurant clients, including Baker Street Café.
- Beauty & Salon Promotional Content — multi-location video campaigns for Hair Studio Salon (2 outlets).
- AI-Generated Video & Face-Swap Projects — cinematic AI video and 3D content produced using Higgsfield within Blender, After Effects, and Premiere Pro.
- YouTube Channel Content — gaming, storytelling, and software tutorial series across CDIXZ, Seleem Talks, and Mr. Romero Walks.

TRAINING & DEVELOPMENT

Ongoing professional development in cinematic editing, motion design, 3D content, and AI-assisted creative workflows through continuous independent practice and self-directed study.
